

Trimble ID (TID) og Trimble License Manager

1. Velg kjøp av Catalyst og/eller Penmap vil du motta epost fra Trimble Business Systems (business_systems_nz_prod@trimble.com) med lisenser. Sjekk til spamfilter, i noen tilfeller havner eposten her.

Hello Magnus,

You're on your way to collecting high-accuracy Survey & GIS data with Trimble® Penmap for Android.

Important information for new Trimble customers

A new Trimble Identity account has been created for you, with the username [redacted]@gmail.com. Before you can access your account, you are required to claim this identity and set a secure password. Follow the "Forgot password" instructions at the link below to complete this step.

[Claim my Trimble Identity](#)

Getting started

When you're ready to get started, activate your subscription by clicking the button below and logging in using the email address [redacted]@gmail.com provided to your Trimble Distributor.

Ensure you have installed your app and downloaded the [Penmap Project Manager](#) first. Then, follow the step-by-step instructions and you'll be underway with Penmap for Android in no time.

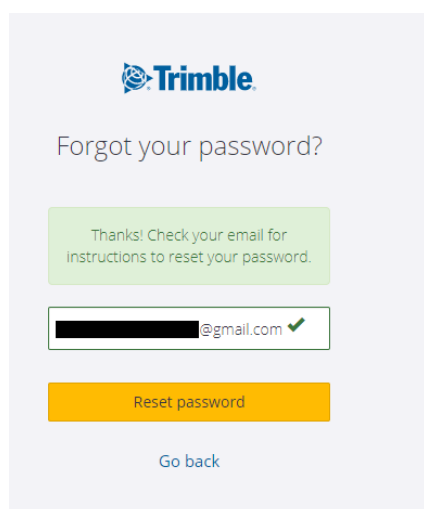

[Activate my subscription](#)

If you need more help

Contact your Trimble Distributor; they'll be happy to answer your questions. For more tools and resources, visit the [Penmap Support & Downloads](#) section.

Thanks,

2. Som helt ny til dette trenger du en Trimble Identity (TID) før du kan gå videre. Du kan klikke *Claim my Trimble Identity* fra mottatt mail for å opprette denne. Det første du må gjøre er å sette et passord. Lag deg et passord og klikk *reset password*. Du vil nå få en lenke tilsendt på eposten din for å sette nytt passord. Har du TID fra før, se punkt 3.

Forgot your password?

Thanks! Check your email for instructions to reset your password.

3. Du blir nå tatt til License Manager (<https://bussys.trimble.com/SubMan/#/licenses>)
Her skal du **først** akseptere betingelser og **deretter** aktivere lisensen:

The screenshot shows the 'License Manager' interface. On the left is a navigation menu with 'Licenses', 'Users', 'Usage', and 'Report an Issue'. The main content area is titled 'Licenses' and contains a search bar. Below the search bar are two license cards. The first card is for 'Penmap' and includes a 'TERMS' link and an 'ASSIGN USERS' button. Below this card is a license key with a red 'X' icon and a clock icon indicating it 'Expires in 1 month from activation', with an 'ACCEPT TERMS' button. The second card is for 'Catalyst On Demand' (10 hours available) with a 'TERMS' link and an 'ASSIGN USERS' button. Below this card is a message box with an information icon and the text 'Please accept the terms to start using this service'. At the bottom of the page are links for 'PRIVACY POLICY' and 'TERMS OF USE', social media icons for LinkedIn, Twitter, Facebook, and YouTube, and the text 'VERSION 2.30.0 © COPYRIGHT 2020, TRIMBLE INC.'.

Legg merke til at etter at du har akseptert betingelsene endrer ikonet seg til *activate*.

This screenshot is identical to the one above, but the 'ACCEPT TERMS' button for the Penmap license has been replaced by an 'ACTIVATE' button, indicating that the terms have been accepted.

Når lisensen er aktivert ser du en utløpsdato:

The screenshot shows the 'License Manager' interface. On the left is a navigation menu with 'Licenses', 'Users', 'Usage', and 'Report an Issue'. The main area is titled 'Licenses' and contains a search bar. Below the search bar are two license cards. The first card is for 'Penmap' and shows an expiration date of 'April 9, 2020' which is highlighted with a red rectangular box. The second card is for 'Catalyst On Demand' and displays a message: 'Please accept the terms to start using this service'. At the bottom of the interface, there is a green notification bar that says 'Activation success.' and a 'CLOSE' button.

4. Nå har du gjort dette for Penmap. Bruker du Trimble Catalyst, se steg 5 under. Bruker du en mottaker i R-serien eller TDC150/SP20, gå til punkt 6.
5. Du må aktivere lisenser for Catalyst precision, decimeter, sub-meter og meter på samme måte. Dersom du har Catalyst On Demand (10t-pakke) trenger du kun akseptere betingelsene. Du aktiverer 1t fra Trimble Mobile Manager. Eget dokument beskriver dette.
6. For Penmap, fortsett videre til [Penmap Project Manager](#)
7. [For Catalyst til bruk med 3. parts apper, klikk her](#)
